

Acme Corp - Human Resources Policy Handbook

1. Attendance Policy

All employees must record their attendance daily using the company biometric system before 9:30 AM. Employees arriving after 9:30 AM on more than three occasions in a calendar month will receive a formal attendance warning from their reporting manager.

Employees who need to leave early must inform their manager at least two hours in advance via email or the internal HR portal.

2. Payroll Policy

Salaries are credited to employee bank accounts on the last working day of every month. If the last working day falls on a weekend or public holiday, salary will be credited on the preceding working day.

Any discrepancy in salary must be reported to the Payroll team within 5 working days of the credit date by raising a ticket on the HR portal under the 'Payroll Query' category.

New employees who join after the 20th of a month will receive a pro-rated salary for that month, credited along with the following month's payroll cycle.

3. Leave Policy

Employees are entitled to 18 days of paid annual leave, 12 days of sick leave, and 6 days of casual leave per calendar year. Unused annual leave, up to a maximum of 10 days, may be carried forward to the following year.

Leave requests must be submitted through the HR portal at least 3 working days in advance, except in cases of medical emergency.

4. Reimbursement Policy

Employees can claim reimbursement for approved business expenses such as travel, client meals, and internet bills. All claims must be submitted with valid bills within 30 days of the expense being incurred.

Reimbursement claims are processed within 10 working days of approval by the reporting manager and the finance team.

5. Code of Conduct

All employees are expected to maintain professionalism, respect colleagues from all backgrounds, and adhere to the company's anti-harassment policy at all times.

Violations of the code of conduct should be reported confidentially to the HR Ethics Committee through the whistleblower portal.
